Check which days you are available (dates are available upon a first-come first-serve basis):

**Friday, May 8**       **Monday, May 11**       **Tuesday, May 12**  
 **Wednesday, May 13**       **Thursday, May 14**       **Friday, May 15**

Check approximate length of performance desired:       **30 Minutes**       **45 Minutes**       **60 Minutes**

Please note- you will need to include time for setup and tear down to your performance length.

## **Festival Information & Procedures:**

### **SOUND REINFORCEMENT WILL BE PROVIDED BY FESTIVAL**

You are expected to arrive no later than one hour before your scheduled performance time. We realize there will always be delays in a festival situation, but we seek to keep the stages active and on time as much as humanly possible. Use the time in advance of your performance to assemble individual performance rigs (i.e. drum kits, keyboard stands, effect boards, etc) and inform the sound engineer of any special needs you have for your performance.

**FREE BUS PARKING** is available on Highland Ave, east of South Ave. This is also the drop off spot.

**FREE FACULTY & FAMILY PARKING** is available in **Lot #2** located near the Al Sigl Center south of the traffic circle.

You must provide all onstage instrument amplification (or choose to run direct to the board). We suggest bringing your most compact setup and let PA system do its job. You must also bring all connecting cords for your rig. The sound company will have all the microphones, microphone stands and D.I. (direct input) boxes you need. Do not expect the sound-person to supply you with basics. Be prepared as the allotted time slot is for performing.

You must provide TWO CD copies of any music needed for the performance.

Please include a copy your stage layout to help direct a smooth and quick set up.

Performances are not compensated monetarily, but through exposure and sale of band CDs and merchandise.

Have fun, and let the audience know you are having a good time. The object of having music at these festivals is to enhance the festival experience; to uplift the spirit, to promote a positive attitude and encourage a safe, comfortable and peaceful ambiance. You will be chosen because we believe you will be a welcome addition to the entire festival. Thanks for your time, cooperation and understanding.

**You are responsible for the equipment you bring. Do not leave your instruments or support equipment unattended or unguarded.**
